DISTRIBUTION PLATE FOR FUEL CELL

STATEMENT OF SUBSTANCE OF INTERVIEW

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

Applicants' representative was contacted on July 16, 2010, by Examiner Lewis for authorization to enter an Examiner's Amendment to correct a minor informality. It appears that original claim 3 depended from itself, and this error was not corrected in the preliminary amendment filed January 28, 2010. Based on Applicants' representative review of the claims, claim 3 should depend from claim 2. Accordingly, Applicants' representative provided authorization for this Examiner's Amendment on July 16, 2010. Applicants respectfully submit that the statement above substantially summarize the substance of the interview with Examiner Lewis in accordance with MPEP § 713.04.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, L.L.P.
